

Happenings in Intermountain States.

Diocese of Denver.

DENVER.

During the week Bishop Matz made two important changes in his diocese. Rev. Father Rivallier, who has been in charge at Salida for two years, was transferred to Glenwood Springs and Rev. Father O'Healey of the latter city will go to Salida. Father O'Healey has been for five years in Glenwood and has won quite a reputation for zeal. Father Rivallier's new mission includes the entire Middle Park. The various stations will be visited once a year.

When the proposed Denver & North-western railroad is completed, two more priests will be sent to care for the territory west of Sulphur Springs.

The latest and most authentic report concerning the new cathedral is that three days after ground is broken—that is, about the 1st of October—the foundation will be entirely laid, and by the time winter sets in the walls will be built as high up as the window sills. In August of 1903 the church will in all probability be ready for services; that is, it provided with temporary altars. The work up to that time will cost but \$10,000, which amount is already on hand. When completed the building will have cost but \$250,000.

The Promoters of the League of the Sacred Heart held their monthly meeting in the Logan avenue chapel last Sunday afternoon. Officers for the ensuing year were elected and arrangements perfected for a reception on the Feast of the Sacred Heart. Father O'Malley presided.

The Young Ladies' Sodality of the cathedral parish will hold a reception of new members on the fourth Sunday of this month.

The Sacred Heart Aid society will give a card party at Adelphi hall on next Monday evening, May 28.

Mrs. John Tassett of West Denver is seriously ill at the Mercy sanatorium.

On Sunday evening, May 25, Rev. T. H. Malone will lecture at the Broadway theatre under the auspices of the United Irish societies of Denver. His subject will be "America's Debt of Gratitude to England." Father Malone made a special study of this question while in New York and Washington, and the lecture is regarded as one of the best in his category.

On June 5 the United Irish societies of Denver will hold a picnic at Rocky Mountain lake. Rev. Dr. McHenry will deliver a lecture in the Irish tongue.

The dancing programme will be made up of Irish jigs, reels and hornpipes. In fact, it is expected to be the most genuinely Irish affair ever held west of Chicago.

Consecration of St. Elizabeth's. On Sunday, June 8, the consecration of St. Elizabeth's church will take place with great pomp and ceremony. Many visiting clergymen will be present.

St. Elizabeth's is the only Catholic church in Denver that is entirely free from debt. In 1878 the German Catholics of the city numbered about a dozen families. Bishop Machebeuf is their establishing a parish of their own and Father Wagner was placed in charge of the little flock.

Sufficient money was raised to obtain a portion on two lots on the corner of Curtis and Eleventh streets. Father Elder then took charge of the parish. He erected the old St. Elizabeth's, the corner stone of which was laid on the first Sunday of August, 1873. The building was 110 feet long and thirty feet wide. The Franciscan Fathers were then called to the parish. Father Francis was made pastor and the church continued to flourish. In 1891 a

monastery was built at a cost of \$18,000. Then St. Clara's orphanage was purchased, and last St. Elizabeth's school. Later Father Francis erected the church of St. Elizabeth, which is soon to be dedicated.

It is the finest Catholic church in the city. The ceremonies of the consecration have been arranged as follows:

Sunday, June 8—4 a. m., consecration of church and altars.
11 a. m., pontifical high mass—Rt. Rev. Abbot Conrad, C. S. E.
4 p. m., Even song. Sermon in German by Abbot Conrad. Sacrament of confirmation administered by Rt. Rev. Bishop Gabriels, D. D.

Monday, June 9—8 a. m., pontifical high mass for repose of souls.
9 a. m., public reception to the right reverend bishop and to the prelates in the hall of the school house.

Tuesday, June 10—8:30 a. m., pontifical high mass. Rt. Rev. Bishop Gabriels, D. D., celebrant. Close of devotions of nine Tuesdays in honor of St. Anthony.

Friday, June 13—Feast of St. Anthony.
9 a. m., pontifical high mass. Rt. Rev. Abbot Conrad, to be followed by the blessing of the new shrine of St. Anthony.

Present in the sanctuary will be Rt. Rev. Abbot Conrad, Rt. Rev. N. C. Matz, Rt. Rev. Bishop Gabriels, Rev. Fathers G. Raebler, E. Cantwell, C. S. S. R. A. Bruckner, S. J.; P. A. Phillips, Eusebius O. F. M.; D. Pantanella, S. J.; F. N. Gubler, S. J.; J. P. Carrigan, W. Morris, William O'Ryan and A. B. Casey.

The guard of honor, composed of Knights of St. John, will be in command of Captain Andrew.

The musical programme for high mass on June 8 will be as follows:

Processional, "Aida".....Verdi
Kyrie, Gloria and Credo.....Haydn's Third
Offertory, "Ave Maria".....Bach-Gounod
Soprano solo (with violin obbligato).
Processional, "Coronation March".

Accompaniment by Lehman's orchestra.
Organist, Miss Clara Woebber; violinist, Miss Josephine Nara; director, Miss Josephine Woebber.

Butte City.—Personal.

C. J. Cottingham of Great Falls came in last week for a short stay.

Henry Greenhood of Missoula is among the visitors from out of town.

H. C. Wilson of Marysville was in the city last week.

Miss Maggie Garcia of 328 Dakota street left last week for Tacoma, Wash., on a visit to friends and relatives.

Mrs. A. B. Cohen left last Monday for Ishpeming, Mich., accompanied by her son. She will visit relatives for several months.

A son was born Sunday, May 18, to the wife of Martin Buckley of 842 South Arizona street. Mr. Buckley is a well known mining man and was kept busy during the day receiving the congratulations of his many friends.

The Silver Bow Democratic club was organized last week at Miners' union hall, and it was one of the most enthusiastic meetings ever held in the city. Fully 200 members signed the roll and addresses were made by Alderman Ryan, Judge J. M. Denny, James Maher, Roy S. Alley, W. J. Naughten and others. The Democrats are getting together for a vigorous campaign in the fall, and the work of the new club promises to be effective and to insure victory for the party on election day. The following officers were elected last night:

President—Judge D. H. Kehoe.

Vice president—Mike Donlan.
Secretary—J. V. Ryan.
Assistant secretary—J. D. Malloy.
Alderman A. G. Shebaler, Judge J. M. Denny and Roy S. Alley were appointed as a press committee. Several other committees were also appointed.

ANACONDA.

R. R. Kilroy and wife of Butte were visiting friends in this city last Sunday.

Dr. Spelman was a Butte visitor last week.

Mrs. George Oswald of Butte is visiting relatives in this city.

C. F. Dallman of Missoula is in the city.

Max Hamperstrong has leased the building on Main street formerly occupied by Tucker & Co., and is moving his stock of goods into it.

Manager Collins of the Margaret theatre was successful in inducing the Butte Choral society, known as the Butte minstrels, in giving one performance at the Margaret Monday, May 19. Their performance at the Broadway Grand last month was of such a nature that the general verdict was that professional troupes that have lately appeared are not their equals. Their chorus of forty voices was the best that ever sang before a Butte audience. In the programme to be given next Monday night selections from "Pinafore," "Mikado," "Pirates of Penzance" and the grand soldier chorus of "Faust" will be rendered. Among the soloists, the best singers in Butte, are Messrs. George Stevens, William Argall, W. H. Killo, Al Jose, William Veale, H. Kroger, H. Rosevear and the inimitable Jack Baglin, so well and favorably known in Anaconda. A rare treat in the store for the music and fun-loving public of Anaconda.

The chorus is under the direction of Mr. Al Paynter; George Levy, chairman, back and wing dancer of the northwest; Interlocutor, Mr. Alex Mackel; end men, Jack Baglin, Ben Moyle, E. Claybourne and William A. Keller.

No doubt a full house will greet the visitors from Butte.

L. H. Beeson, who for the past two years has been in charge of the Intermountain bureau in Anaconda, is in Butte today. He is bound for Salt Lake where he has accepted a position as associate editor of the Salt Lake Mining Review.

Mr. Beeson is one of the most expert mining men in the newspaper business in the west and will doubtless win distinction upon entering the work of mining editor once more. He leaves Monday for the Mormon city. The good wishes of a host of friends attend Mr. Beeson in his venture.

The butchers of Anaconda have organized a baseball team and have sent a challenge to the Butte Butchers' union to meet them in a matched game on Decoration day.

Whether the familiarity of the meatcutters with the use of the cleaver will render them formidable with the stick can only be conjectured, but certain it is that sundry of their number lay claim to a degree of proficiency in the playing of ball.

Among those who have been selected to represent the local union in the proposed game are: Ben Harting, Thomas Boone, W. Fletcher, Paul Lyonsmith, Will Manlove, Jake Pozigo, Joe Frinzi, Dan Kirkpatrick, James Miller, Frank Paul, E. McTigue and O. A. Ruthardt. The last named will be captain of the team.

The reply of the Butte butchers to the challenge has not yet been received, but it is believed that they will take up the gauntlet.

Conductor John Quinn reports that at about 1:30 Saturday morning, as his train pulled into Pocatello, he saw a lunar rainbow spanning the heavens over the east side. He describes it as an exquisitely beautiful sight. The rain had just stopped and the moon shone brightly out of the western heavens and the colors of the rainbow stood out bright and distinctly.

Mary A. Barratt of McCammon has filed with the county clerk notice of the appropriation of eight cubic feet of the waters of Marsh creek for agricultural purposes. The water is to be diverted by means of a dam six feet high and conducted onto her lands through a canal a mile and a half long. Work on these improvements is in progress.
